BRIEF SUMMARY

Final-year MCA student with a strong programming foundation in Java, C++, and SQL. Developed MyXpense, a personal expense tracking application using Java and MySQL database. Skilled in OOP concepts, database design, and problem-solving with consistent practice in data structures and algorithms and seeking opportunities in software development or technical support roles where I can apply programming skills and a systematic problem-solving approach.

KEY EXPERTISE

Java C++ MySQL Database HTML5 CSS Javascript Cloud Computing (Basic)

EDUCATION

Department of Computer Science and Applications

2024 - 2026

M.C.A. - Computer Applications | Percentage: 77.28 / 100

Government College Dharamshala

2021 - 2024

B.C.A. (Full Time) | CGPA : 8.71 / 10

GAV Public School, Kangra, Kangra

2021

12th | CBSE | Percentage: 84 / 100

Mount Carmel High School Gaggal, Kangra, HP, Kangra

2019

10th | ICSE | Percentage: 81.20 / 100

PROJECTS

MyXpense (Personal Expense Tracker)

05 Apr, 2025 - 10 May, 2025

Key Skills: Java MySQL OOPs Database HTML CSS Javascript

Project Link: <https://github.com/aman-kumar-2002/MyXpense>

As a hostel student, I was spending money on mess and canteen but had no proper tracking of where my money was going each month. I needed a simple solution to record and monitor my daily expenses. To Solve this, I built MyXpense: A personal expense tracker built with core Java OOPs and MySQL to record, view, and analyze hostel expenses with mobile accessibility.

MediTrack (In Progress)

Key Skills: MySQL Java OOPs CLI Database

Project Link: <https://github.com/aman-kumar-2002/MediTrack>

MediTrack is a lightweight command-line Java application that allows clinics to digitally manage patients, doctors, and appointments using a connected MySQL database. It demonstrates clean object-oriented design and SQL integration through JDBC.

ACHIEVEMENTS

- Completed 100 Days of LeetCode Challenge, consistently solving DSA problems. (Solved 150+ Questions)
- 160 Days of GeeksforGeeks DSA Challenge – (Solved 100+ Questions)

ASSESSMENTS / CERTIFICATIONS

JAVA (Basic) Certificate

SQL (Intermediate) Certificate
